SPONSORSHIP OPPORTUNITIES 2020

Girls on the Run Philadelphia

OUR MISSION

Our mission is to inspire girls to be joyful, healthy and confident using a fun, experience-based curriculum which creatively integrates running.

OUR PROGRAM

At Girls on the Run we inspire girls to recognize their inner strength and celebrate what makes them one of a kind. Trained coaches lead small teams through our research-based curricula which includes dynamic discussions, activities and running games.

Over the course of the ten-week program, girls in 3rd through 8th grade develop essential skills to help them navigate their worlds and establish a lifetime appreciation for health and fitness. The program culminates with girls positively impacting their communities through a service project and being physically and emotionally prepared to complete a celebratory 5K event.

WHY IT MATTERS

Studies show that 3rd through 8th grade is a critical period of time for girls. Their self-confidence begins to drop by age nine, 50% of girls ages 10 to 13 experience bullying, and physical activity levels begin to decline.

A recent independent study found that the Girls on the Run intentional life skills curriculum, delivered by highly trained coaches, postively impact girls’ lives by helping them increase their self-confidence, develop healthy relationships and feel good about themselves.

At an age when girls are constantly trying to measure up to ideas of who they should be when they’re still discovering who they are, Girls on the Run shows them that their potential isn’t just enormous, it’s beyond measure.

After reviewing the enclosed opportunities, please contact Executive Director Colleen Howard at colleen.howard@girlsontherun.org or 215-247-8598 to sign up to become a Girls on the Run Philadelphia sponsor.

Seline’s commitment to train and self growth learning proved to have an immense impact on her self-esteem, independence and confidence.”

“I still get tears in my eyes when I think about that moment when they crossed the finish line and received their medals. After the race, they all kept saying, ‘This was the best day ever, this was the best day of my entire life. I can’t wait for the next 5K.”''

PROGRAM YEAR 2019 ACCOMPLISHMENTS

In our first five years, Girls on the Run has supported girls in developing the confidence and character they need to become strong, healthy women, using a unique, research-based after school curriculum which creatively integrates running.

MARATHON GOALS:

- Serve 5,000 girls by our 10-year anniversary in 2022
- Introduce Camp GOTR to girls across Philadelphia during Summer 2020
- Pilot our adapted curriculum to bring our life-changing program to differently-abled girls who wish to participate
- Continue our commitment to offer Girls on the Run to every site and every girl in our community who wishes to participate, regardless of financial need
- Expand our evaluation efforts to track the long-term impact and outcomes produced by our intentionally-designed curriculum

Thank you for all your work and time in making this program amazing! This was my daughter’s first year participating and she was more then excited every practice and of course the end result with the 5K. She is already talking about next year.”
